

# FLAT SCREEN TABLE STAND

## Model FSB-015

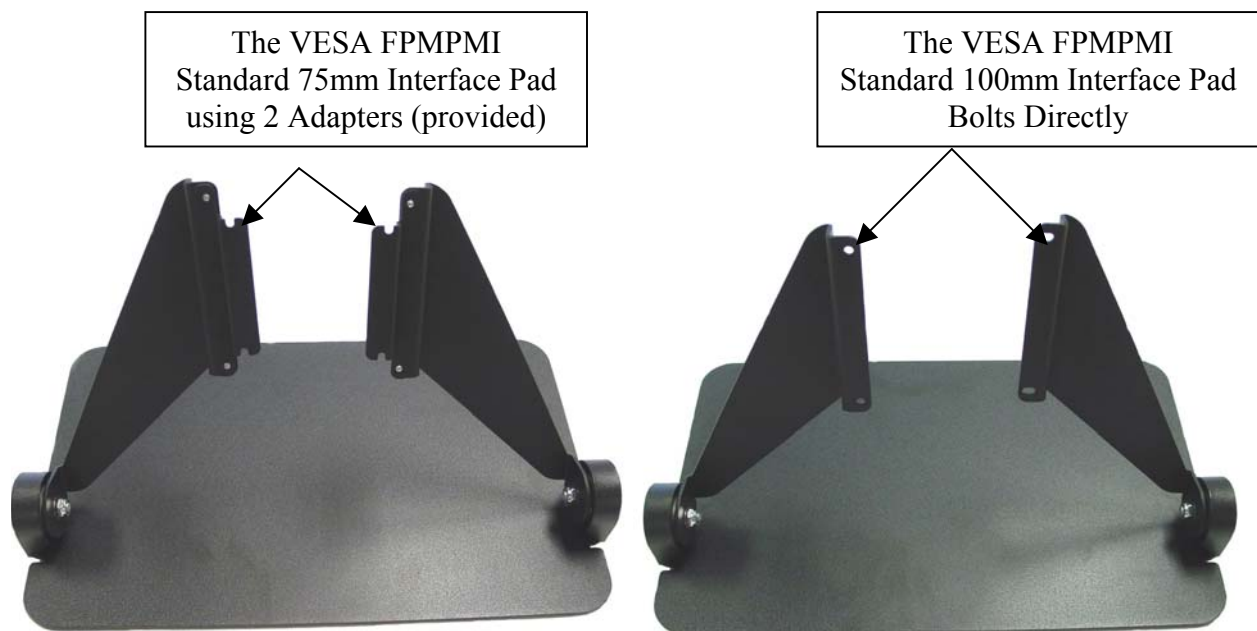

The Flat Screen Table Stand is designed to attach to either VESA FPMPMI standard 75mm or 100 mm Interface pads. The 75mm VESA mounting requires two adapters (included) to mount the monitor and the 100mm VESA mounting attaches directly to the Flat Screen Table Stand.

Unpack and check contents: Inspect the Flat Screen Table Stand carefully for shipping damage. If any damage is apparent, call your carrier claims agent.

**CAUTION:** Do not use a power screwdriver to install screws. Use a hand screwdriver to prevent damage to your monitor

**NOTE:** For 75mm VESA mounting, perform Step 1. For 100mm VESA mounting, go to Step 2.

1. Secure two adapters (provided) to unit using four M4 X 6 Phillips head screws (provided).
2. Secure the monitor to the stand using four M4 X 10 Phillips head screws (provided).

Your monitor may require different screws than the M4 X 10 screws provided by Chief Manufacturing or the screws provided by the monitor manufacturer. If your monitor requires fasteners other than those provided, contact the manufacturer for correct screw specifications.
