

HB-31 VIDEO PROJECTOR HANGING BRACKET

The HB-31B Hanging Bracket is designed to attach the Barco 800 series video projector series to the EVCM-100 Electric Ceiling Mount, VCM-31B Ceiling Mount or VCM-2c/3C Multiple Video Projector Stacking System.

UNPACK AND CHECK CONTENTS:

- (2) Mounting Rail, RH & LH
- (6) ¼ -20 x 1” Bolt
- (12) ¼” Flatwasher
- (6) ¼” Split Lockwasher
- (6) ¼” Hex Lock Nut
- (4) 5/16 –18 Flange Nut (VCM-31B and VCM-2C/3C)

INSTALLATION INSTRUCTIONS

1. Turn your projector upside down
2. With the “L” slots facing the rear of the projector, install the mounting rails to the projector using the hardware supplied. Tighten securely.
3. See EVCM-100, VCM-31B or VCM-2C/3C instructions for installing to the mount.
