

VIDEO PROJECTOR HANGING BRACKET HB-60G

The HB-60G Hanging Bracket is designed to attach NEC video projectors to the EVCM-100 Electric Ceiling Mount, VCM-60G Ceiling Mount or VCM-2C Multiple Video Projector Stacking System.

- (1) Universal Hanging Bracket
- (2) Mounting Plate Weldments RH, LH
- (8) 5/16-18 x " Bolts
- (4) 5/16-18 Flange Nuts

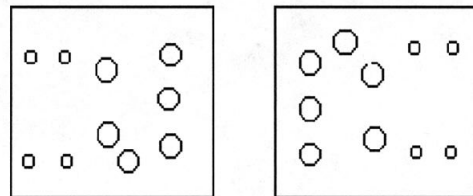

Installation Instructions

1. Turn your projector upside down.
2. Remove and save the eight screws on the bottom of the projector.

3. Install the mounting plate weldments RH, LH to the projector with the weldnuts positioned upwards and towards the center of the projector. Fasten the mounting plates to the projector housing using the eight screws you removed in Step 2. Tighten securely.

4. Attach the universal hanging bracket with the "L" slots facing the rear of the projector, line up the eight holes in universal bracket with the eight weldnuts. Secure universal bracket using the 5/16-18 x " bolts. Tighten securely.

5. See EVCM-100, VCM-41E or VCM-2C/3C instruction for installing to mount.

LENS THIS DIRECTION

CAUTION: IMPROPER INSTALLATION MAY RESULT IN SERIOUS PERSONAL INJURY!

The overhead support **must** be capable of supporting **five times** the weight of the mount **and** equipment combined. If it cannot support this weight, the ceiling **must** be reinforced.
