

## ADAPTER BRACKET INSTALLATION INSTRUCTIONS For Samsung Model LTM1525

Prior to assembly, unpack carton completely and verify contents.

If you are missing any of the following components, please contact Customer Service at 1-800/582-6480

1. Using Phillips screwdriver, disassemble the LCD screen from mount, by removing (4) M4 x 6mm screws (see figure 2)
2. Place (2) Rubber Bumpers on inside of new bracket, align new bracket's hole slots with previously installed bracket's tapped holes, and slide over top of screen (see figure 3).
3. Using Phillips screwdriver, secure brackets together with four 10-24 x .25" screws to outer hole pattern. Then, using 5/32" security hex key, secure adapter bracket to mount with (4) M4 x 8mm screws (see figure 4).
