
INSTALLATION INSTRUCTIONS

Pole Mount and Stand Accessory

DISCLAIMER

Milestone AV Technologies, Inc., and its affiliated corporations and subsidiaries (collectively, "Milestone"), intend to make this manual accurate and complete. However, Milestone makes no claim that the information contained herein covers all details, conditions or variations, nor does it provide for every possible contingency in connection with the installation or use of this product. The information contained in this document is subject to change without notice or obligation of any kind. Milestone makes no representation of warranty, expressed or implied, regarding the information contained herein. Milestone assumes no responsibility for accuracy, completeness or sufficiency of the information contained in this document.

IMPORTANT WARNINGS AND CAUTIONS!

 **WARNING:** A WARNING alerts you to the possibility of serious injury or death if you do not follow the instructions.

 **CAUTION:** A CAUTION alerts you to the possibility of damage or destruction of equipment if you do not follow the corresponding instructions.

 **WARNING:** Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty! It is the installer's responsibility to make sure all components are properly assembled and installed using the instructions provided.

 **WARNING:** Failure to provide adequate structural strength for this component can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the structure to which this component is attached can support five times the combined weight of all equipment. Reinforce the structure as required before installing the component.

 **WARNING:** Exceeding the weight capacity can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the combined weight of all components attached to this accessory does not exceed 35 lbs (15.9 kg). DO NOT exceed the weight limitations of the mount being installed.

TOOLS / PARTS FOR INSTALLATION

Assembly

1. Attach rubber bumpers (C) to underside of base (D).
2. Attach pole mount (B) to base (D) using one 3/8-16 x 1" flat head screw (F), following instructions included with the base and pole kits.

WARNING: IMPROPER INSTALLATION CAN LEAD TO DISPLAY FALLING CAUSING SERIOUS PERSONAL INJURY OR DAMAGE TO EQUIPMENT! DO NOT substitute hardware! Use only hardware provided by manufacturer.

3. Slide Centris head assembly (H) onto pole mount.
4. Tighten head assembly to pole using two 5/16-18 x 3/8" set screws (G). (See Figure 1)
5. Attach display to head assembly following instructions included with display.

Cable Management

1. Connect cables to display.
2. Route cables from display and down pole, using cable sheath (A) and following instructions included with pole kit.
