

PAC-100 SHELF ASSEMBLY

The optional PAC-100 shelf assembly is designed for attachment to the Chief floor stand.

WARNING: IMPROPER INSTALLATION MAY RESULT IN SERIOUS PERSONAL INJURY! All components must be securely fastened to each other.

Unpack and check contents:

- (1) Shelf Support Assembly
- (1) Clamp

- (4) SCREW, 5/16-18 X 5/8", Button Head Cap
- (1) WRENCH, Allen

INSTALLATION INSTRUCTIONS

1. Position the shelf support assembly at the desired height on the floor stand.
2. Securely install clamp to the shelf support assembly using four button head cap screws.
