

POWER-INFUSED ACCESSORIES FOR PROJECTORS & FLAT PANELS

High-performance power accessories integrate with Chief mounts and improve the audio and video performance of projectors and flat panel TVs by cleaning and purifying the AC, while providing surge and spike protection.

PX2W™

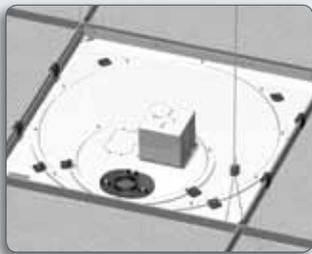

Power Outlet Conditioner

- Wall or ceiling mounted outlet with power conditioning
- Filter removes more noise than many full-sized line conditioners
- Non-current limiting design passes full power on a regular circuit
- Rated for 2160 joules and 15 amps
- 1800 watt maximum
- Reduces common and differential mode noise by up to 40 dB
- Picture and sound available after protection stops until a replacement can be installed
- ETL Certified

CMS445P™

Suspended Ceiling Replacement Kit with Power Outlet Conditioner

- Replaces the need for an outlet
- Provides AC cleaning without loss of power
- Not visible below the ceiling
- Designed to replace a 2' x 2' ceiling tile or sit above a suspended ceiling

PAC521P™

In-Wall Box with Power Outlet Conditioner

- Replaces the need for an outlet
- Provides AC cleaning without loss of power
- Power conditioner is invisible and recessed into the in-wall box
- Provides an organized, recessed space for excess cables

CMS440P™

Lightweight Suspended Ceiling Kit with Power Outlet Conditioner

- Replaces the need for an outlet
- Provides AC cleaning without loss of power
- Not visible below ceiling
- Easy clamping to ceiling tracks with minimal assembly

PACPC1™

Flat Panel Power Filter Kit

- High-end power filter and hardware integrate with Chief wall mounts
- Provides surge protection and noise filtering

Additional Power Management Accessories

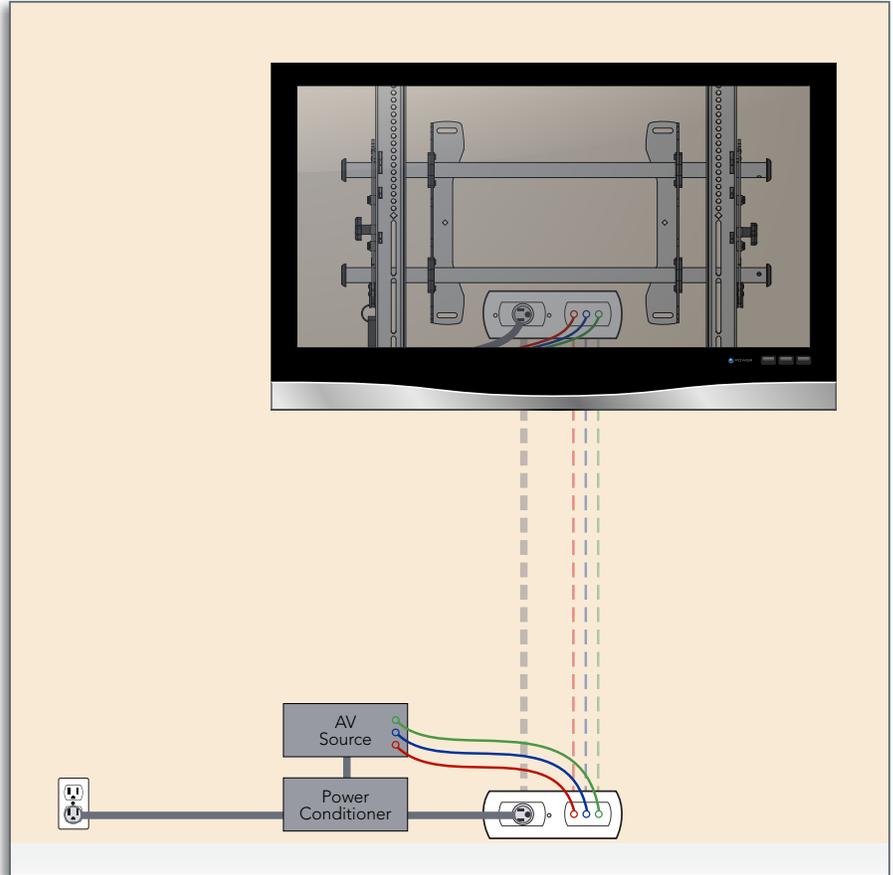

PB1™

In-Wall Power Extension System

Chief's PB1 In-Wall Power Extension System is a sleek solution for the hassle of cable management. For a clean installation, simply route cables in the wall from behind the flat panel down to floor level.

- Connects remotely to outlet or power conditioner
- Power routing via 14 gage Romex wiring (not included)
- Cable ports for low voltage wiring inside wall
- Available in 4 colors: Black, White, Almond, Ivory
